Espresso Products Direct is a family-owned distribution company, founded in 2004, based out of Lacey, Washington. Since most of our customers are also family-owned businesses, we like to think we have a lot in common and have a good understanding of what it takes to help our customers be successful.

We know your time as a small business owner is valuable. Allow us to maximize your time and do the shopping for you. Anything you could possibly need to keep your coffee business operating smoothly can be ordered by 10am, the day before your delivery day, from **Espresso Products Direct** and delivered the next business day.

Espresso Products Direct's ability to provide dependable delivery of desired products and excellent customer service have created a loyal base of customers that enjoy the hassle-free service we provide.

Our product catalog outlines the products we offer. If you don't see something you want, just ask us and we'll do our best to get it for you.

So sit back and allow us to do the shopping for you. We'll keep your inventory stocked so you can focus on all the other aspects of running a successful coffee business.
